

Common Assessment Framework (CAF or Early Help)

Introduction

Upon successful completion of this training course, you will understand how the Common Assessment Framework (CAF - or Early Help) applies to your work.

Audience

This course is intended for all children's workforce practitioners, i.e. all staff who work with children, young people and their families.

Although this course forms part of an induction programme for new starters, it is also intended for all practitioners who want to improve their knowledge and continue their professional development.

Objectives

This course will enable you to understand:

- What a CAF Pre-Assessment checklist is and when to use it
- The key principles of and background to the CAF
- When and when not to undertake the CAF
- The four main stages in completing a CAF
- How the CAF interfaces with other assessments
- How to use a CAF to inform a specialist assessment

Modules

This course contains the following modules:

Module name

- CAF Early help introduction
- CAF Early Help process
