

Disability Awareness

Introduction

Approximately one in five people in the UK have a disability. In this module, we investigate the challenges they face in the workplace, the impact of discrimination on their lives, and how you can help to build a more inclusive, effective work environment for all.

Audience

Employers, employees, managers, private and public sector, service providers and users.

Objectives

- -Have an expanded awareness of what constitutes a disability
- -Know how discrimination can negatively impact someone with a disability
- -Be able to foster positive working relationships with colleagues with disabilities.
